Re: DOJ Complaint #204-63-0

Dear Mr. Moser:

This letter is in response to the complaint that you filed with this office alleging a potential violation of the Americans with Disabilities Act. The Disability Rights Section generally investigates individual complaints from prisoners only as a part of reviews of State prison systems.

The prison system in which you are incarcerated is not currently under review by our office. Therefore, we will take no action on your letter at this time. We will, however, keep your letter on file and include it in our review when we do schedule a review of the prison system in your State. We cannot tell you at this time when such a review will occur.

We have enclosed a list of agencies in your State that might be able to address your concerns more quickly.

Sincerely,

A handwritten signature in dark ink, appearing to read "Susan Reilly", written over a horizontal line.

Susan Reilly
Deputy Chief
